### Why Females Suffer in Health. THE MARRIED WOF AN'S Private Medical Companion, BY DR. A. M. MAURICEAU, PROPESSOR OF DISEASES OF WOMEN.

One Hundreth Edition (500,000) 18mo., pp. 250. standard work of established reputation, found class ed in the catalogues of the great Trade Sales of New York, Philadelphia, and other cities, and sold by the principal booksellers in the United States.

Every woman can here discover, by comparing her own symptoms with those described, the nature, character, and cause of her complaint, and be spared much anxiety and suffering, as well as the unpleasantness of making known to, or making inquiry of, a physician in respect to the numberless ailments to which she is sub-ject. The wife about becoming a mother has often need of instruction and advice in respect to her situa-ion, which she will here find. This book tells her what is the matter, and tells her what to do for it, in simple but chaste words, and such as she can understand. Those suffering from obstructions or irregularitles pe culiar to the female system, or from prelapsus uteri (fall-ing of the womb,) or from fluor olbus, will each find in its pages the means of prevention, amelioration, and
